EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. P. Olosky on October 24, 2007. The amendments were made to clarify the apparatus recited in the claims.

In claim 21, line 2, "", especially beverage packs," has been deleted.

***in line 3, after "are", --slideably-- has been inserted and after "belt," --the device having a drawing roller on each side of the conveyor belt whose axes of rotation are perpendicular to the plane of the conveyor belt,--;

***in line 5, "revolve in a plane parallel", has been replaced with --move in a plane perpendicular--;

***in lines 8 and 9, ", characterized in that...conveyor belt," has been replaced with --to contact said support elements therebetween,--; and

***in the last line of the claim, "outer sides" has been replaced with --facing the cycle belts to contact said belt toothed structures--.

Claims 29-40, being directed to the non-elected invention, have been cancelled.

The following is an examiner's statement of reasons for allowance: The prior art doesn't show an apparatus that comprises support elements for supporting packages that are slideably mounted on a conveyor belt, a pair of drawing rollers on the

sides of the belt, a pair of cycle belts downstream of the rollers and on the sides of the belt with the support elements facing the belts and the sides of the cycle belts facing the support elements having toothed structures that contact each other to move the support elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
